Dear US District Court,

Re: Docket # 07CR20365-1

MICHAEL DUANE SORRELL (DOB 3-16-58)

Mr. Sorrell and I have obtained a Michigan State Police record for Michael. The ICHAT report is accurate however the federal record is not. He has a nephew with the same date of birth but different birth year with the same exact name. His crimes show up on Michael's record. We would like a copy of Michael's federal record so we can compare the two records and any transcripts that may help us.

Thank you,
